

Equipment list For Basic class at Minnesota Primitive Skills School.

The rest of your payment for the class (Check or cash. checks can be made out to Project Grove LLC.)

Tent (I suggest a good tent with a full length rain fly to keep you dry)

Sleeping bag or blankets

Fixed blade knife with a sheath. One that has at least a 3 inch blade, is sharp, and is good for carving wood is preferable. I suggest high carbon steel with a Scandinavian grind or a flat grind blade style, and no serrations. I will bring some good quality knives for survival and bushcraft and sell them for 25\$ each (Let me know a couple weeks in advance if you plan on buying one so I can be sure I have enough).

Water Bottle

Bowl and spoon

Food (Bring all the food you will need for the class)

Notebook and pens/pencils

Appropriate clothing for the weather including cold nights. Bring some clothes that will be okay to get a bit dirty too.

Rain jacket/rain pants

Headlamp or flashlight

Toiletries

Optional Items.

Sleeping Pad

Pillow

Bug spray

Camera or phone with camera

Sunscreen

Shoes or hiking boots (We will be going on some walks to show you different plants and other materials.)

Camp chair

Camp stove (we will be cooking over a fire, but a stove is also convenient.)
